A blog on theology, history, and culture. The local newspaper printed the state report cards for Oklahoma state public secondary education schools. Many people outside of Oklahoma may be unaware that Enid is the hub for northwestern Oklahoma, and that there are multiple public school systems in what bigger cities would call "suburbs" of Enid.

IMPEDANCE VS RESISTANCE: These two terms are used somewhat interchangeably, but technically there are some significant differences. Electrical resistance is represented by the letter "R" and has the same value at all frequencies. Electrical impedance is more complex and its value typically changes with frequency. It's represented by the letter "Z".

Bad teaching is a common explanation given for the disastrously inadequate public education received by America's most vulnerable populations. This is a myth. Aside from a few lemons who were notable for their rarity, the majority of teachers I worked with for nine years in New York City's public school system were dedicated, talented professionals.
